The War In The Pacific

Shown below is the new US 30 with 7-1/2" barrel. The US 30 features an Old Armory Bone Case™ frame & Dome Blue™ finish.

The US M1A 30 caliber carbine took part in every amphibious landing from Guam to Guadal Canal and fought on the cliffs of Iwo Jima. USFA respectfully dedicates a special limited edition and introduces the "US 30". This new revolver features a lanyard loop and is available with a special GI holster and WWII style lanyard cord at extra cost.

At USFA we commemorate our soldiers in time of war with new classics. The second in the USFA Patriot™ Series is a look back at significant events in American History. The leadership of our nation and the soldiers who put it all on the line to defend freedom no matter what the cost.
